Grand Knight's Comments: Roger Khouri

Dear brothers,

It has been a very long and hard road over the last few years. Both in our personal lives and as a Church community, we have been challenged. As Knights we stand firm in our faith to meet each challenge by relying on Christ to see us through it. The journey is not yet over but it is simply causing us to re-think and to respond to it.

As Knights, we need to help one another renew our faith and to help build up the parish community again. The way that this will take place is going to be a fluid approach. I invite you all to share your thoughts on how

we can respond.

I would like to ask that we reach out to brother Knights and check-in on them. Even a simple "hello" phone call will go a long way to strengthen a sense of our brotherhood.

Please join us this Thursday September 8th to kick off planning for our Fraternal Year at our General Meeting. I'd like to emphasize reaching out to brother Knights in our council to welcome them back. And, perhaps we can discuss what we may wish to do for our parish. Of course, I fully appreciate everyone's comfort levels and time commitments, so, let's try to put our minds together to make good things happen.

I'm proud to be back as your Grand Knight. Thanks so very much for bro. Martin Healy who led our council as Grand Knight during a very tough year during Covid. Congratulations to everyone who made it on to our Executive Committee!

Thanks brothers and see you on Thursday night at 7 pm in our council chambers.

Trust in the LORD with all your heart And do not lean on your own understanding. In all your ways acknowledge Him, And He will make your paths straight."
(Proverbs 3:5,6. Thanks in advance. God bless

A Reflection From Mother Theresa Of Calcutta

“People are often unreasonable, illogical and self centered.

Forgive them anyway.

If you are kind, people may accuse you of selfish, ulterior motives. ***Be kind anyway.***

If you are successful, you will win some false friends and some true enemies. ***Succeed anyway.***

If you are honest and frank, people may cheat you.

Be honest and frank anyway.

What you spend years building, someone could destroy overnight. ***Build anyway.***

If you find serenity and happiness, they may be jealous. ***Be happy anyway.***

The good you do today, people will often forget tomorrow. ***Do good anyway.***

Give the world the best you have, and it may never be enough. ***Give your best anyway.”***

You see, in the final analysis, it is between you and your God. It was never between you and them anyway.
