ST. PETER'S PARISH COUNCIL 13404, 511 CHEAPSIDE STREET, LONDON, ONTARIO, N5Y 3X5

Grand Knight's Comments: Lawrence Jardine

Brother Knights, let us reflect on our role in parish life and how we act out our three pillars of the Knights - **charity, unity and fraternity**. In the present circumstances, we need to examine how the council can deliver on this.

Naturally our focus on Charity is about service to our community - food drives, coats for kids, volunteer work, working with the St, Vincent de Paul and collaborating with our parish priest to fill the needs.

As Knights, all know that – in unity– we can accomplish far more than any of us could individually. So we stick together...we support one another. That doesn't mean that we always agree or that there is never a difference of opinion. It does mean that – as a Knight of Columbus – you can count on the support and encouragement of your brother Knights as you work to make life better. We do need to acknowledge that we have the additional challenge of not having the opportunity to "do things" that would build community in our parish due to lack of presence. We can focus on this as a problem, or we can see it as a challenge.

This brings us to fraternity. Maybe, now that the council is entering its 20th year in existence, we need to step back and re-orient. Develop our spiritual life. Develop new programs. Strengthen the brothers. Be not afraid. Go out into the deep!

Special thanks to **James Vollmer** who organized the **Metro Food Drive** and **Ron Schroder** who organized the **Church Drive**.

On the north wall is a shrine containing a statue of our Lord being held by His Blessed Mother after He was taken down from the cross. It is known as the "**PIETA**".
